GRADUATION . . . tears, elation, pride, and knowledge that you are a NURSE and not just any nurse but a CHARITY nurse.

Though we leave you
Thus we cry:
We will not, shall not
Say good-bye.

Such dismal feelings
That sad word spawns;
For good-bye means
Forever gone.

We'd rather say this
To contend
We know you are our
Loving friends.

FAREWELL

A friendship so precious
It cannot be smothered
Nor can it be replaced by others.

In sadness not depart
Good friends
For this is a beginning
And not the end.

So though we leave you
Thus we cry:
We will not, shall not say
Good-bye.

Oh very young
What will you leave us this time
You're only dancing on this earth
For a short while
And through your dreams may toss
And turn you now
They will vanish away
Like your daddy's best jeans
Denim blue fading up to the sky
And though you want him to last
Forever you know he never will
(You know he never will)
And the patches
Make the goodbye harder still

Oh very young
What will you leave us this time
There'll never be a better chance
To change your mind
And if you want this world
To see (a better day)
Will you carry
The words of love with you
Will you ride
The great white bird into heaven
And though you want to last
Forever you know you never will
(you know you never will)
And the goodbye
Makes the journey harder still

Oh very young
What will you leave us this time
You're only dancing on this earth
For a short while
Oh very young
What will you leave us this time

MATERNAL CHILD

"Youth is not a time of life, it is a state of mind, a product of the imagination, a vigor of the emotions, a predominance of courage over timidity--an appetite for adventure.

"Nobody grows old by living a number of years. People grow old when they desert their ideals. Years wrinkle the skin, but to give up enthusiasm wrinkles the soul.
